Gentlemen:

Due to the military nature of this Post, it is most desirable that civilian groups, entering within the limits of this reservation, be concentrated as much as possible in one single unit.

Therefore, it is recommended that a motor bus be utilized during the month of June, 1943, in bringing to this Post the personnel of the Newark Eagles baseball club in order that they might play the Camp Kilmer, NJ, baseball team for the recreational entertainment of the military personnel of Camp Kilmer, NJ.

JAMES Y. BRALLE, JR.,
